

Anthony Wayne School
Parent Update- Plan for Hybrid Learning- 9.4.20

Dear Parents and Guardians,

As we begin the 2020-2021 school year, it is our goal to keep you up to date on the most recent information. I wanted to take this opportunity to make you aware of some information pertaining to our Hybrid Learning Plan. Your child will be receiving lessons through direct, face to face instruction two days per week in your school buildings but will all have access to instruction synchronously (live- Zoom) and asynchronously (recorded video lessons) beginning the week of September 14th. Your virtual classroom days will be taught by Tracy Rife (a certified classroom teacher with over 25 years of experience). Here is a preliminary overview of how the hybrid learning will be implemented.

Students will have direct, face to face instruction two days per week in your school buildings. The other two days per week students will have access to virtual lessons. These live lessons will be available through Zoom. The link and corresponding class times will be distributed to you through your classroom teacher.

Students and families will also have access to SeeSaw which will serve as our on-line learning platform. All information will be housed within this platform. This will include recorded videos, updates and reminders. Your classroom teachers will be providing you with these access codes within the next 2 weeks as well.

For the 2020-2021 school year, we are also offering a full virtual classroom. This would include 4 days of live instruction via Zoom with access to our SeeSaw Platform. If you would prefer the virtual option it is a minimum of a semester commitment.

Virtual Open House for either of these options will be taking place via Zoom on September 9th, 2020 at 10 am or September 10th, 2020 at 1 pm.

While we are striving to keep you updated in a timely manner, due to COVID-19 we have been faced with some unique challenges and frequent changes. More information will be forthcoming. For the most up to date information always check our website: <http://www.eslakeeriewest.org/EarlyChildhoodProgram.aspx>

Yours in education,

Amy St. Marie
