

Dear Parents and Guardians,

We are very excited to announce back to school, in-person instruction at the ESC Early Childhood Program at Westwood. We will begin on October 5, 2020, as this is when transportation provided by Washington Local is first available. Safety will be our first priority, so we will be taking precautions the moment that staff and students enter the building. In the event that we need to quarantine a classroom or the school due to a COVID-19 breakout, our staff and students will move back into remote learning.

You will be receiving more information about arrival, departure, and details of what the school day will look like by Monday, September 21, 2020.

We are also asking that you view our attached Health Pledge. We are asking for your support in keeping our school COVID-19 free by following our [program guidelines](#), pledging to report your child's illness, and keeping your child home when necessary.

Also, we are able to help assist with preschool tuition for qualifying students. Your child must be 4 years of age on or before October 1, 2020. If you, or someone you know, may qualify please e-mail Kay Weidmann at kweidmann@esclakeeriewest.org We still have open spots for the 20-21 school year.

Please let me know if you have any questions or concerns. I can be reached at astmarie@esclakeeriewest.org or 419-246-3131.

Yours in Education,

Amy St. Marie M.Ed

Early Childhood Supervisor
