Dear Parent or Guardian:

We are pleased to inform you that the Bridge Program has a program available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Option (CEO) for the 2026-2027 school year.

What does this mean for you and your children attending the school identified above?

Great news for you and your students! All enrolled students of the Bridge Program are eligible to receive a healthy breakfast and lunch at school, at no charge to your household, each day of the 2026-2027 school year. No further action is required of you. Your child will be able to participate in these meal programs without having to pay a fee or submit an application.

If we can be of further assistance, please contact us at 419.473.3442.
