

## History

The Challenger Learning Center of Lake Erie West is one of 48 centers in the world and recognized as a leader in educational simulation with a strong curriculum-based emphasis. We have been NW Ohio's hub for STEAM education since 2003.

The Challenger Center for Space Science Education is a global nonprofit organization created in 1986 by the families of the Challenger 51-L crew tragically lost during the Challenger's tenth mission.

## Directions

Take the Oregon/Rt. 2 exit from I-280 to Navarre Avenue. Travel east on Navarre Avenue to Lallendorf Road. Turn left and continue one mile north to Seaman Road. Turn right on Seaman Road and travel for one mile. Challenger Learning Center will be located on the left just before Wynn Road.

The mission of the Educational Service Center of Lake Erie West is to provide quality resources and services that meet the unique needs of our partners in the educational community.

Our Partners in STEAM Education:

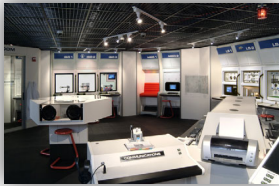

# 3, 2, 1...LIFTOFF! LAUNCH YOUR BIRTHDAY PARTY AT

# CHALLENGER LEARNING CENTER OF LAKE ERIE WEST

## Welcome aboard crew!

Dreaming of Mars, stars and more for your birthday? Land your space craft at Challenger Learning Center of Lake Erie West for an out of this world birthday party! The birthday astronaut and the birthday crew will soar to the stars in our simulated space transport vehicle and journey to the farthest reaches of the galaxy in one of our three interactive simulated space missions!

## A Party Like No Other!

Challenger Learning Center of Lake Erie West is the ideal place to create **FUN** birthday memories with your family and friends! Packages include exclusive use of our facility, a fun-filled simulated space mission and the option to customize your party to fit your needs!

## 3, 2, 1...Birthday Party Liftoff!

Call us today to schedule your next Martian birthday party! We offer affordable and fun birthday party packages to create a memorable and fun birthday party! From the moment you walk through the doors to liftoff and entering the space station, your party will be like no other!

## Birthday Party Missions

**Junior Astronaut:  
Journey to the ISS  
Ages 5-9**

Do you have what it takes to be the next astronaut crew and work aboard the International Space Station orbiting 250 miles above Earth? The crew aboard the ISS is in desperate need of new astronauts to continue research and experiments in space!

**Return to the Moon  
Ages 10+**

The year is 2040 and the astronauts are on their way to the Moon, but this time they plan to stay! The crew must race against time and work together with Mission Control to find the perfect place to begin exploring the Moon!

**Voyage to Mars  
Ages 10+**

In Earth years it is 2076, and we need a crew to embark on a long mission to Mars! Will the crew make it in time to find the Chryse Weather Station and deliver supplies before another dust storm begins? Your spacecraft awaits your next adventure!

## An Intergalactic Party Package!

### Each party package includes:

- Mission for up to 30 guests\* plus birthday child
- Use of party room for 30 minutes prior to mission
- Themed table coverings, utensils, cups, plates and napkins provided
- Two hour simulated space mission of choice
- Cost: \$450

\*Additional guests are \$10/child. Parents or guardians are not charged for attendance.
