Educational Service Center of Lake Erie West
Photo Permission Form

Dear Parent or Guardian:
There is a saying that a picture is worth a thousand words, so we take many pictures of our students as they are engaged in educational activities. These pictures are used in news releases, slide presentations, videotapes, flyers, websites, posters, and other educational purposes. We would like your permission to use any photograph that we may take of your child for these purposes.
Please complete the form below and return it to your child's teacher.

Thank you for your cooperation.

Sincerely,

Sandra C. Frisch

Superintendent
