

Brothers and Sisters of People with Special Needs Come and Join the Fun!

Brothers and sisters who have a sib with special needs now have a program that's just for them called Sibshops. At Sibshops, they will have a chance to meet other kids whose brothers and sisters have special needs and talk about the good and not-so-good parts of having a sibling with a disability. ***Most important, they'll have fun!!***

Sibshops are for 8 to 16 year old brothers and sisters who have a sib with special needs. Our Sibshops are run by a team of people who have a professional and, in some cases, a personal understanding of the impact a child's special needs can have on brothers and sisters. Equally important, they have great kid skills!

***Sibshops will have fun outrageous games, cooking activities
and
hands on activities that will keep your kids engaged in an energetic way.***
