Parents and professionals are invited to register for this **FREE** training by calling 419-214-3066 or by emailing wsmenner@esclakeeriewest.org

Transitioning from preschool to kindergarten can be easy if you help your child prepare.

Consultants from the State Support Team Region 1 will help participants learn the difference between preschool and kindergarten.

Topics that will be covered include:

- Understanding developmental milestones
- Literacy
- Understanding school standards
- Process for transition from preschool to kindergarten for students with a disability
